

This profitable business was established in October 2004 and specialises in providing warehousing and distribution services. The business occupies multiple sheds located in a convenient location.

View : <https://www.completebusinessbrokers.com.au/sale/qld/southside/rocklea/business/transportdistribution/5911611>

The business is growing steadily and has a secure lease in place. The location is also Quarantine Approved Premises (QAP) certified by the Department of Agriculture.

There is a full time manager in place who leads an experienced team. There is great potential to increase efficiencies through the introduction of scanning and other technologies. The business may also be a great addition for a transport company looking for growth opportunities.

The business is for sale for \$899,000 + SAV.
