

This home nursing service based in south east Queensland recently sold for well above ask. We presented five offers to our seller.

If you have a similar business or are just thinking of potentially selling, give us a call so we can talk you through the sale process.

A little more info about the business....

The business has been operated successfully by the current owners since 1995. The majority of patients are elderly and have health issues that require home nursing, most are veterans. The business has an approved provider number with Department of Veterans' Affairs and as a result payment is received easily through an online medicare system.
