

This business has been established for over 31 years and is the world's longest running laser tag site!

The business provides a one-stop destination for interactive entertainment that puts players in control. Players use the latest technology and enjoy the use of a 600m2 Lasertag Arena along with a unique Laser Labyrinth Maze and a mega arcade floor with classic retro and modern games.

Players can relax before and after the games in the cafe area where merchandise can also be purchased.

The owners of the business are not involved in the day to day runnings, there are full time managers in place. There is also plenty of opportunities for further revenue growth!

The business is for sale for \$299,000 + SAV ! Contact us for a confidentiality agreement.
