

This business is Queensland's premium pool and landscape construction company, committed to creating dream outdoor living areas across Brisbane.

The business was established 20 years ago and is highly sought after and now recommended by many.

The business provides the full range of outdoor services beginning with design with a seamless transition through to construction. Specialising in being able to offer a complete scope of outdoor services to their clients has enabled this company to surpass others in the industry. Whether it is Swimming Pool Construction, Pool Renovation, Outdoor Pavilions, Block Walls, Fencing, Concreting, Decking, Tiling, Tennis Courts, or Soft-scape, this company specialises in providing the complete package.

The business has well established processes and procedures along with a very experienced team in place. The current owner only works part time. The business is for sale for \$599,000 + SAV.
