

This business was established over 39 years ago and specialises in the sale and service of agricultural machinery. The business is located a few hours north of Brisbane and has proven sales growth year on year. The business has also been unaffected by COVID as the demand for agricultural machinery remains consistent.

Revenue in 2020 was in excess of \$5M with EBITDA being over \$359K. The business is a Platinum Dealer for a well known agricultural machinery brand and also has a team of very knowledgeable employees.

The business is for sale for \$799,000 + SAV (stock will be sold on consignment).

The building and land where the business is located is also available for purchase - \$460,000 + GST.

Price : \$799,000 + SAV
