

Selling for less than plant & equipment values! Must be sold!

This business has been operating for many years and the current owner has made significant investment in plant and equipment along with ensuring the quality of linen provided to clients is of a very high standard.

The business specialises in the following hire:

- * Table cloths and napkins
- * Kitchen towels
- * Glass cloths and rags
- * Floor and carpet mats

The business has a quality client base of restaurants and surf clubs and is well positioned for further growth. The current owner is relocating interstate and is motivated to sell.
