

Indicative photo only

This second generation family owned nursery business has been established since 1951. The nursery has been the winner of many awards and has an excellent reputation within the industry.

The business generated over \$3.6M in revenue in 2020 and has a very even spread of customers, with no one customer representing more than 8% of sales. The nursery operates successfully with a team of 25 committed and experienced employees.

The business is for sale for \$1,800,000 WIWO (includes stock and plant and equipment). The property where the business is located is also for sale separately for \$3,000,000.

Contact us today for a Confidentiality Agreement to find out more about this opportunity.

Price : \$1,800,000 WIWO
