

Laser Clinics Australia are global leaders providing laser Hair Removal, Cosmetic Injectables, Skin and Body treatment.

This Laser Clinics Australia is located in a busy shopping centre in Brisbane and has been operating profitably for 5 years. The current owners are wanting to transition to retirement which has opened up this excellent opportunity for a new franchisee to acquire this highly profitable clinic which has a loyal and repeat customer base.

Laser Clinics Support Office provides the laser franchise with big business capabilities including marketing support, operational guidance, legal advice, technical assistance and human resource management support. A comprehensive training program, ongoing operational support and a full suite of cloud-based business management tools assist with the growth and success of the Laser Clinic. It's a unique franchise model with a 50/50 partnership.

The franchise is for sale for \$700,000, contact us for a confidentiality agreement today!
